CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Receive Information Regarding Water Meter Extended Payment and Payment Deferral Options Plan

MEETING DATE: March 2, 2010 (Shirtsleeve Session)

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Receive information regarding water meter extended payment and payment deferral options plan.

BACKGROUND INFORMATION: The City Council directed that all remaining meters within the City be installed by the end of 2013 and that property owners pay the full cost of the individual meter installations. In concert with the scheduled meter installations, it is necessary to replace small-diameter pipes throughout the City. Updated construction cost estimates for the pipe construction and meter installations will be provided to the City Council.

Alternatives for property owners to pay for meters include lump sum, extended payment, and low-income payment deferral. These and other alternatives will be presented to the Council for information.

Conceptual-level cash-flow analyses will be provided to the Council for some of the alternative construction and extended payment options.

A recommended water meter payment plan is scheduled to be presented to the Council at the March 17, 2010 meeting.

FISCAL IMPACT: Depending upon policy direction, the rate of expenditures to install water meters may not correlate with revenue. Therefore, the fiscal impacts are variable depending upon policy direction.

FUNDING AVAILABLE: Not applicable.
